*Proceedings of the Madras Government, Financial Department,
17th April 1872.*

No. 195. Read the following Proceedings of the Board of Revenue, dated 5th April 1872, No. 2480 (Miscellaneous):—

Read the following letter from the Acting Collector of Ganjam, to the Secretary to the Board of Revenue, dated Surada, 14th March 1872, No. 39:—

With reference to Clause 2, Section 48, of the Local Fund Rules, I have the honour to submit for decision the following particulars.

2. In September last, when the question of the contribution to be paid by the Berhampore Municipality on account of Educational Superintendence came under the Chatterpore Local Fund Board's consideration, it was stated by the Vice-President, Berhampore Municipality, that no contribution from municipal funds for Educational Superintendence could be arranged during the current year. The matter dropped for the time.

3. At the meeting held last month the subject was again mooted, and the following resolution was passed:—

"The Board resolve with reference to paragraph 6 of their Proceedings, dated 8th September 1871, to apply to the Berhampore Municipality for the sum of Rupees 200 on account of Educational Superintendence for the current year. This was the sum which was fixed upon in their Proceedings, dated 9th October last, paragraph 2, as appropriated for 1872-73."

4. Copy of this resolution having been forwarded to the Municipality, the Vice-President writes, in reply, that the Commissioners object to the payment of Rupees 200, as it had not been estimated for in the budget of the current year.

5. The same reason would, doubtless, apply in the case of all Municipalities as their liability to make such contributions was not understood when the budgets of 1871-72 were framed. I think, however, that it would be possible, in the present instance, to allot funds notwithstanding the absence of any estimate if the Municipal Board were so instructed, and it is but reasonable that such a contribution should be made.

Submitted for the orders of Government.

2. If the financial position of the Municipality admits of it, the contribution should certainly be paid.

(True Copy and Extract.)

Secretary.

No. 196. ORDER THEREON, 17th April 1872, No. 512.

Nothing is said as to the data on which the contribution is calculated, and it is to be remembered that the computation is to be made with reference to lower class education only.

2. If the Commissioners do not object to the amount, and if they are financially in a position to pay, the Government authorize the disbursement, notwithstanding the absence of provision in the sanctioned Municipal Budget.
