in this District are exceedingly
heavy. in fact I have only
lately been applying to the
Board for a Deputy Collector
for the Branch finding
that Even with an Assistant
at Head Quarters they
could not be properly Enfor-
ced. Farming has only
a special Assistant Collector
to have the Collector [illegible]
undertake his duties. I
truly think this [illegible]
be very heavy work in
this District than that

to a Special Assistant at
Head Quarters who could
find it worth while to
remain. The land [illegible]
have increased so much
in this District beyond
all [illegible] unless
some relief is given I
don't think that the new
system can have fair play.

The Educational work is
increasing. the new [illegible]
