

*Proceedings of the Madras Government, Military Department,
28th October 1872.*

Furlough and Leave,
Officers.

Read the following papers:—

No. 176. From the Officiating Secretary to the Government of India, Military Department, to the Adjutant General; dated Fort William, 30th September 1872, No. 1008.

In returning the application of Major A. H. Bramley, District Superintendent, Police, North-Western Provinces, for extension of leave in India on medical certificate, I am directed to point out that, as that officer has elected to remain under the furlough rules of 1854, leave in India should be granted to him by the same authorities and under the same conditions as formerly,—i. e. before the issue of the furlough rules of 1868; the special restrictions of which apply only to those officers in civil and military employ who may elect those rules.

2. It will be observed that Government General Orders, No. 630, dated 9th June 1869, and No. 613, dated 14th July 1871, are only modifications of the original Rule XXXIII. in the furlough regulations of 1868, and are not applicable therefore to a military officer in civil employ who elects the rules of 1796 or 1854.

No. 1014.

Copy of the above forwarded to the Secretary to Government, Fort Saint
Military Department, for the information of His Excellency the Governor

COUNCIL.
