Dear Sir

Dear Sir,
They to return my best
thanks for your kindness in
giving me the earliest possible
notice of the resolve of Govt
in regard to my case with the
Rock Survey. This being unfortu-
nate indeed if I can get no re-
dress for the wrong it appears Govt
allow that I have suffered far
ther, than directions and time
to take steps forbidden by law by
Section 2 of the Civil procedure
Code, not to mention the hard-
ship of putting me to the ex-
pense if it were possible of a
second trial of the same case.
I do still hope and trust that

God may see the injustice of
the treatment I have received
from the Rev. Society and give
me redress on point ^{out} here I can
appeal to the Civil Court indeed
I should be most thankful for
such a favor and kindness and
as I believe I have the sympathy of
God in some degree I hope I may
venture to ask this with great confidence

With much love to all
I remain
Dear Sir
Yours very truly

Dear Sir
I beg to

very gratefully thank you for your
help in printing out the author
of filing a suit. According to the
act of 1860 I shall endeavor
to do so immediately. If you
could further oblige me with an
other copy of the proceedings of Court
I should esteem it a great favor,
as it is so much preferable to a
copy in writing.

Yours very truly
