Sir,

I have the honor to request that you will be good enough to let me know, whether you can supply to the "Mary Ellen" Estate, Wynand, 5000 Cinchona plants suitable to be planted out in June next, and the price at which each plant will be sold at the Government Gardens, Cochin.

I may mention that the high price you charged me before for Cinchona per materially restricted my operations, and unless the Government is prepared to supply plants at a nominal cost, I fear the Cinchona planting in the Wynand will continue to be on a very limited scale.

Begging the favor of an early reply.

I am, Sir, Very

Sir.

I have the honor to forward a letter from Mr. Elvin enquiring the price of 5000 Chinchona Plants for his Estate in Wynnad. Mr. Mr. Esq. in forwarding the letter informs me that he supplied Mr. Elvin with 5000 plants last year at 1 anna a plant & he suggests that the charge should be reduced to 6 pies both for last year's supply & for this.

2. As plants can now, Mr. Mr. Esq. say "be cheaply & abundantly produced" & the Secretary of State has lately expressed his desire that Chinchona cultivation should be encouraged in Wynnad, I would suggest that the price be not more than 2 pies a plant for all the common varieties of which the Government Plantations possess abundance.

3. With reference to the large out-standings under the head of Plants supplied in former years still under enquiry I will with the
