Proceedings of the Madras Government, Revenue Department,

1st March 1872.

No. 13. Read the following letter from the Commissioner of the Nilgiris, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 17th February 1872, No. 9:—

I HAVE the honour to forward a letter from Mr. Elwin, inquiring the price of 5,000 Cinchona plants for his estate in Wynaad. Mr. McIvor, in forwarding the letter, informs me that he supplied Mr. Elwin with 5,000 plants last year at one Anna a plant, and he suggests that the charge should be reduced to six Pies both for last year's supply and for this.

2. As plants can now, Mr. McIvor says, "be cheaply and abundantly produced," and the Secretary of State has lately expressed his desire that Cinchona cultivation should be encouraged in Wynaad, I would suggest that the price be not more than two Pies a plant for all the commoner varieties of which the Government plantations possess abundance.

3. With reference to the large outstandings under the head of plants, supplied in former years still under inquiry, I will, with the sanction of Government, give order to the Superintendent that, in future, no plants leave the Government estates until the price, at the rate of two Pies each, has been received.

From R. B. ELWIN, Esq., Madras, to the Superintendent Government Cinchona Plantations, Ootacamund, dated 8th February 1872.

I HAVE the honour to request that you will be good enough to let me know whether you can supply to the "Mary Ellen" estate, Wynaad, 5,000 Cinchona plants suitable to be planted out in June next, and the price at which each plant will be sold at the Government Gardens, Ootacamund.

2. I may mention that the high price which you charged me before for Cinchona plants materially restricted my operations, and unless the Government is prepared to supply plants at a nominal cost, I fear that Cinchona planting in the Wynaad will continue to be on a very limited scale.

Begging the favour of an early reply, I am, etc.

No. 14. ORDER THEREON, 1st March 1872, No. 368.

Miscellaneous.

THE Commissioner's proposals are approved and sanctioned.
