Proceedings of the Madras Government, Public Department,
28th September 1872.

No. 71. Proceedings of Government, dated 28th September 1872, No. 1102.

The Governor in Council is pleased to direct that, when the services of officers in Military employ are required for duty in any Civil Department, the Secretary to Government in the Department concerned shall take the orders of the Right Honourable the Governor as to the officer to be appointed, and shall then, with the knowledge of the Governor's personal staff, apply by memorandum to the Military Secretary to Government for the services of the officer nominated.

2. If the officer be already at the disposal of the Military Department of Government, his services will, if available, be at once given; but if he be under the orders of the Commander-in-Chief, the Military Secretary will officially request the Adjutant-General to ascertain whether His Excellency can spare his services, and, if so, to place them in General Orders at the disposal of the Civil Department for employment.

3. In the same manner, when the services of any Military or Medical Officer employed in the Civil Department are required in the Military Department, application will be made for them through the Military Secretary to Government to the Secretary in the Department concerned, and they will be replaced at the disposal of the Military Department by orders in the Civil Department, and at that of His Excellency the Commander-in-Chief by notification in General Orders.

4. Intimation will be made in the same manner through the Military Secretary to Government that the services of any officer are no longer required by any Civil Department as no longer required.
