SIR,

SEVERAL instances having occurred in which Officers of the Forest Department, transferred from one Province to another, have remained for an undue length of time in their old Province after the notice of their removal has appeared in orders, I am directed to state that you will have the goodness to point out to Conservators that they have no power to pass any pay or allowances whatever to any Officer who has been removed to another Province after his transfer has appeared in the *Gazette of India*, and it will be the duty of Accountants General, if any such Officer appears in the monthly cash accounts furnished to them by Conservators, to reject them, as being passed contrary to rule.

2. In special cases authority to retain an Officer may be obtained from the Government of India. In all cases the current monthly pay may, with the sanction of the Local Government, be given to an Officer *as an advance* who has to proceed to another Province, but such advance must be adjusted in his new Province.
