

*Proceedings of the Madras Government, Revenue Department,
4th March 1872.*

No. 41. Read the following letter from the Government Solicitor, Madras, to the Acting Chief Secretary to Government, Fort St. George, dated 2nd March 1872, No. 84:—

With reference to the Proceedings of the Madras Government and the order made thereon, dated 4th December 1871, No. 2,044, Revenue Department, approving the draft of the Deed of Conveyance of the "Tunkum" property, and resolving that it should be forwarded for the approval of Mr. P. F. Campbell-Johnston of Carusalloch, I have now the honour to state, for the information of Government, that Mr. Campbell-Johnston has lately returned to me the above draft Deed of Conveyance approved of by him as drawn by me, together with a Power of Attorney, empowering me to execute and register the Deed on his behalf.

2. I have accordingly had the Deed engrossed, and have executed it on behalf of Mr. Campbell-Johnston, and herewith forward it for the purpose of the Official Seals of the Government of Fort St. George and the University of Madras being affixed thereto.

3. The Deed had better be executed first on behalf of the Government of Fort St. George, and then forwarded to the University of Madras for execution; the Deed should bear date the day when the Seal of the University of Madras is affixed.

4. As the University of Madras does not come within the provisions of Section 86 of the Registration Act, it will be necessary for the Registrar of Assurances to be present when the Seal of the University of Madras is being affixed to the Deed; I have therefore to request that you will let me know when such Seal is to be affixed so that I may make the necessary arrangement with the Registrar of Assurances for his being present when the Seal is affixed and receiving presentation of the Deed for registration.

No. 42. ORDER THEREON, 4th March 1872, No. 382.

Miscellaneous.

ORDERED accordingly that the Seal of Government be affixed to the deed, and that it be transmitted to the Registrar of the Madras University, with the request that he will arrange for the Seal of the University being affixed to it, and previously inform the Government Solicitor of the time and place where this is to be done, so as to allow of his procuring the attendance of the Registrar of Assurances on the occasion. The Registrar of the University will fill in the date of execution in the blank space at the commencement of the deed.
