

*Proceedings of the Madras Government, Revenue Department,
5th March 1872.*

No. 64. Read the following Proceedings of the Board of Revenue, dated 2nd March 1872, Miscellaneous No. 1,610 :—

Read the following letter from the Acting Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 22nd February 1872.

In consequence of the failure of crops and consequent reduced state of ryots, it was decided by Mr. Thornhill, after consultation with those best able to judge, that such of the ryots of the Berhampore Taluq as have had no means of securing seed-grain should be assisted with advances to enable them to purchase it *at once*, as it is highly probable that the prices of seed-grain will rise very high, before the time of the next cultivating season. The sum required to meet this advance was roughly calculated at 15,000 Rs., which will, of course, be recovered with the kists of the ensuing Fasli 1282. I have, therefore, the honour to request that the Board will be pleased to obtain the sanction of Government for a grant of 15,000 Rs. on this account, and to communicate the order by telegraph.

SUBMITTED for the favourable consideration of Government.

No. 65. ORDER THEREON, 5th March 1872, No. 394.

SANCTIONED.
