

*Proceedings of the Madras Government, Revenue Department,
3th March 1872.*

No. 91. Read the following Proceedings of the Board of Revenue, dated 1st March 1872, No. 393 :—

Read the following letter from R. SEWELL, Esq., Assistant Collector, to the Collector of North Arcot, dated Chittoor, 8th January 1872, No. 3:—

IN their Order of the 5th ultimo, No. 2,050, Revenue Department, Government appear to be under misapprehension. I have the honour to inform you that no funds are "released" at Pallikonda, unless the District Post Office is abolished there; but both the Imperial and District Post Offices will be unnecessarily working in the same village at considerable extra expense. I propose that the District Post Office at Pallikonda be removed to Verinjipuram, while the Imperial Post Office is at Pallikonda.

2. If the Imperial Post Office is established permanently, the District Post Office at Verinjipuram can be fixed there. If not, it can be sent back to Pallikonda on the closing of the Imperial Post Office there.

3. Thus the District Post Office funds now employed will be employed usefully instead of uselessly.

SUBMITTED to the Board of Revenue for definite instructions.

TIRVALLUM,

Collector.

SUBMITTED to Government with reference to their Order quoted.

2. The Board think the District Post Office which is not required for the present at Pallikonda might as well be utilized at Virinjipuram until it is decided whether the Imperial Post Office at the former place is to be permanent or not.

No. 92. ORDER THEREON, 8th March 1872, No. 407.
