OBSERVATIONS.—The Viceroy and Governor-General in Council observes that in 1839 the Jaghire of Oodiagherry in the Madras Presidency was resumed by Government on account of the treasonable conduct of the Jaghiredar, Abbas Ali Khan, and his sons. The delinquents were confined in Chingleput, and an allowance of Rupees 400 per mensem was assigned for their support, of which Rupees 250 were allotted for the Jaghiredar himself. He died in 1841, and Rupees 230 in all were continued to his three sons. In 1865 the allowance of Ghous Sahib, the sole surviving son, was increased from Rupees 100 to Rupees 150 per mensem.

2. In the correspondence with the Secretary of State cited in the preamble, approval is conveyed of the proposal of the Government of India that, on purely compassionate grounds, the stipend of Ghous Sahib should be further increased to the amount which was his father's personal share of the total allowance originally assigned to the family, viz., Rupees 250 per mensem, with retrospective effect from the date in 1865 when the previous enhancement was made. This proposal the Financial Department will accordingly be asked to sanction.

ORDER.—Ordered that a copy of the foregoing Resolution with the correspondence with Her Majesty's Secretary of State be forwarded to the Financial Department for favourable consideration and early orders, with reference to the Extract thence, No. 1323, dated 12th July 1865.
