

*Proceedings of the Madras Government, Revenue Department,
8th March 1872.*

No. 101. Read the following Proceedings of the Board of Revenue, dated 23rd February 1872, No. 363 :—

Read the following letter from W. D. HORSLEY, Esq., Acting Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Jamalmadugu, 6th February 1872, No. 19.

WITH reference to the Proceedings of the Board of Revenue, No. 4,908, dated July 16th, 1870, I have the honour to report that I do not consider it necessary that the Canal and Ferry Act I. of 1870 should be applied to this district.

2. The principal ferries are now across the Pennar. At Chennur the road from Cuddapah to Kurnool crosses that river, and the traffic is considerable. The bed of the river is very wide, and, unless the fresh is heavy, the river is generally fordable. It has been estimated that rafts are necessary for the conveyance of goods and passengers during sixty days in the year. The inhabitants of Chennur and Kondapetta, on the two banks of the river, provide rafts when necessary, and I have not heard of complaints against them that their demands are excessive. The work is in the hands of several, and competition thus keeps down the fares.

3. There are ferries over the same river in the Sidhout and Pullampetta Taluqs of little or no importance.

SUBMITTED to Government with reference to the Proceedings of the Board of Revenue, No. 98. The Board agree with the Collector.

No. 102. ORDER THEREON, 8th March 1872, No. 412.
