9th March 1872.

No. 116. Read the following Proceedings of the Board of Revenue, dated 19th February 1872, No. 330:—

Read the following letter from W. McQUHAE, Esq., Acting Collector of Madura, to the Secretary to the Board of Revenue, dated 31st January 1872, No. 31.

At the request of the merchants of Yemunangundu, a village 2 miles to the south of Attengarei, a sub-port of Devepatam, I have the honour to recommend that Government be moved to declare it a sub-port to Devepatam for the shipping and landing of goods, and that it be added to the list of ports appended to the Board's Standing Order No. 256.

2. The Deputy-Collector in charge of the Sea Customs reports that he visited the village, and that its contiguity to the main road to Paumben and the facilities of approach to it will lead to a thriving trade at this place in salt-fish, and grain.

3. No additional establishment will be required at the proposed sub-port, which may be placed under the supervision of the peon now stationed at Attengarei.

The Board recommend accordingly that the usual declaration may be notified by Government, under Section 10 of the Consolidated Customs Act, VI. of 1863.
