

*Proceedings of the Madras Government, Revenue Department,
9th March 1872.*

No. 118. Read the following Proceedings of the Board of Revenue, dated 28th February 1872, Miscellaneous No. 1,499:—

Read letter from the Collector of Salem District, dated 25th November 1871, No. 3,429.

THE revised plan and estimates, amounting in the aggregate to Rs. 20,260, for constructing the chuttrums noted in the margin are submitted for the sanction of Government, with reference to their Order dated 10th June 1871, No. 1,031, Revenue Department.

Chuttrum at Suramangalam	RS. 9,860
do. at Jollarpett	10,400
Total...	20,260

2. It will be observed that it is proposed to build the chuttrums on one and the same plan; but the estimates vary in amount, owing to the different rates of labour and materials prevailing in the two places.

3. It has been already ordered that the cost of the chuttrums shall be met from the accumulated Toppoor Chuttrum Funds, which, up to the close of the past official year, amounted to Rs. 26,365. G. O., Revenue Department, dated 16th December 1867, No. 2,993. Do. 10th June 1871, No. 1,031.

The Collector applies for a grant from this source of Rs. 5,000 to be spent during the current year. The remainder, Rs. 15,260, will be wanted in 1872-73.

No. 119. ORDER THEREON, 9th March 1872, No. 421.

Miscellaneous.

THE plan and estimates are approved and sanctioned.

2. The accumulated surplus of the Toppoor Chuttrum Fund is available for the work. The Collector is authorized to debit the charge against this account. There is no need for any budget provision.
