

*Proceedings of the Madras Government, Revenue Department,
14th March 1872.*

No. 175. Read the following letter from Major R. H. BEDDOME, Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 3rd February 1872, No. 890 :—

With reference to paragraph 2 of the Government Order No. 96 of the 16th January last, I have the honour to inform you that it appeared desirable to obtain a qualified practical gardener and planter for the extensive planting operations proposed for Tinnevely in connection with the railway fuel supply, and as Mr. Lowry at that time was offering his services to the department for a salary of Rs. 150 per mensem, with the rank of Sub-Assistant Conservator, I was very glad to propose his employment to Government.

2. Mr. Lowry is a thoroughly trained planter, who, since his arrival in this country, has been employed in Cinchona plantations; and he is one of the best practical gardeners in this Presidency, and well worth his salary. When the plantations in question have been thoroughly established and set going, they might be placed under an ordinary Overseer, and Mr. Lowry might be employed on similar work elsewhere. I may also remark that he is almost the only man in the department to whose care I could entrust the Conolly Teak plantations with any confidence, in the event of Mr. Ferguson quitting his post for any lengthened period.

3. It would be well if the department had more men of this stamp, i.e., practically trained gardeners and foresters who commence on a small salary; and their status, pay, chances of promotions, etc., as well as that of our ordinary Overseers, require some consideration at the re-organization of the department.

No. 176. ORDER THEREON, 14th March 1872, No. 452.

Forests, No. 4.

ORDERED to be forwarded to the Government of India, with reference to the letter from that Government dated 15th December 1871, No. 692.

2. The Government await from the Conservator of Forests the explanation required by the Government of India in reference to the charge of Rs. 90* per mensem on account of two Accountants in his Office.
