Proceedings of the Madras Government, Revenue Department, 14th March 1872.

No. 178. Read the following letter from the Officiating Inam Commissioner, to the Acting Chief Secretary to Government, Fort St. George, dated Madras, 6th March 1872, No. 11.

WITH advertence to Mr. Carmichael's letter dated 30th October 1871, No. 35, paragraphs 3 and 4, I have the honour to report on the details of establishment required during 1872-73, to carry on the work of the Inam Department.

* In Government Order, 29th November 1871, No. 2,023.

2. I have reduced the permanent portion of the establishment, hitherto costing Rs. 500 per mensem, to the strength noted in the margin, bringing the cost within the limit of Rs. 350 proposed by Mr. Carmichael and sanctioned by Government in Government Order, 29th November 1871, No. 2,023. This establishment will, however, be modified, if possible, from time to time during the year according to the requirements of the work.

3. The whole of the extra establishment employed in the transcription of Registers, under Government Order, 2nd December 1870, No. 1,913, has been dismissed, with the exception of four Clerks, as noted in the margin, whose services I find will be absolutely required for a further period of five months to assist the permanent establishment in completing the work of transcription and examination, as there are still about 2,000 sides of Registers to be *examined* and about 100 sides of Register to be *transcribed*, besides paging and indexing the last instalment of Fair Register volumes, which will be bound hereafter.

NOTE.—There are also about 900 cases received and disposed of during the past year, which will also have to be fair copied and examined.

4. The cost of these temporary Clerks, namely, Rs. 500, can be met from General Savings in the Land-revenue Budget as proposed in paragraph 4 of Mr. Carmichael's letter.

5. It will be observed that I propose employing the permanent establishment in completing the examination work, as the two Munshis and the Head Clerk are acquainted with English fairly, but they will do this in addition to their regular work which I find is not likely to decrease to any sensible extent for some little time, as will be perceived from the subjoined list of the matters still under disposal :—

(1). The issue of about 10,000 Title-deeds for lands assigned in lieu of Pagoda Allowances in South Arcot, Tanjore, and South Canara, and the issue of similar deeds for other districts hereafter.

Proceedings of the Madras Government, Revenue Department,

(5). The issue of about 500 Title-deeds for similar tenures in Tanjore still under settlement.

(6). The issue of about 2,000 Title-deeds in ordinary cases still pending in all districts which require further inquiry, and are being reported upon by the Collectors gradually, as each case is settled.
