

Proceedings of the Madras Government, Revenue Department,
25th March 1872.

No. 297. Read the following letter from the Acting Accountant-General, Madras, to the Officiating Chief Secretary to Government, dated Fort St. George, 19th March 1872, No. 748 :—

WITH reference to G. O., No. 102, dated 15th instant, I have the honour to point out that joining time under the rules in force commences only from date of receipt of the order of appointment by the officer and has not retrospective effect; it is therefore, I submit, clear that the period spent on privilege leave by Purushottamiah must be counted as such.

No. 298. ORDER THEREON, 25th March 1872, No. 514.

Miscellaneous.

THE Government consider that where, from the requirements of the public service, an officer's leave is cancelled under circumstances such as those of the present case, the time spent in reaching the spot where his services are required should count as joining time and not be deducted from leave at credit.
