Sir

With reference to your docket
No. 344 of 25th March 1872 forwarding a
copy of petition from one Tuzgurbkhan
of Humbrum. I have the honour to state
I know nothing of the petitioner or
of the dog which, he alleges, was shot by me.

I have been constantly annoyed
by pariah dogs prowling about my bungalow
and seeing that my own dogs were twice
bitten by mad dogs just outside my house,
I felt ascertained from the Municipal
officer that tax had been paid on only
6 dogs out of some 200 which were in the
town, and on being the case, felt
myself at liberty to shoot any dogs which
annoyed me, except those on which the
tax had been paid.

I have certainly never shot a dog
of the least value, nor one which was

with its owner, had I done so. I should
have heard about it at the time, whereas
this petition is the first intimation I
have had that any exception had been
taken to my destroying dogs which troubled
me and which were apparently owned
by no one.

I have the honour to be

have supposed that anything
in the Bye Laws invest him
with power to kill dogs, on
which the Municipal tax
is not paid - & they regard
his conduct as indiscrimi-
