* Medical Department.
Subordinate.

From the Officiating Secretary to the Government of India, Home Department, to the Secretary to the Government of Bombay, Military Department; dated Simla, 28th June 1872, No. 2694.

I am directed to acknowledge the receipt of your letter No. 1783, dated the 16th April last, to the address of the Government of India in the Military Department, recommending the addition of one Hospital Assistant to the fixed strength of the Subordinate Civil Medical Establishment in the Bombay Presidency, the charge being met out of the Provincial Service Allotment.

2. In reply, I am desired to state that, as the Local Governments are now vested with the control over the Subordinate Civil Medical Establishments, the Governor General in Council has no objection to the proposal made by the Bombay Government, provided it is clearly understood that the new Hospital Assistant is one *locally entertained*, and not, as most of the class are, admitted in General Orders and available for general service. In the latter case, the charge for pension, &c., falls on the Military Department, and the Governor in Council will readily admit that it is impossible to permit Local Governments to entertain men of this class without limit, and so indefinitely increase the charge on the Military Department.

Extract from the Proceedings of the Government of India, in the Home Department (Public), under date Simla, 28th June 1872, No. 2687.

RESOLUTION.

The Governor General in Council has no objection to the entertainment by any Local Government or Administration, to whom resolution dated 14th December 1870, No. 3334 (Financial Department) is applicable, of additional Hospital Assistants for civil employ, on the understanding that such Hospital Assistants are regarded as *locally entertained*, and that the cost of their pensions, &c., as well as of their pay, falls on Local or Provincial Funds.

2. In the case of Hospital Assistants admitted in General Orders, the charge for pension, &c., falls on the Military Department, and it is necessary to prescribe a limit to the number of Hospital Assistants whose pensions are payable from Imperial Funds.

ORDER.—Ordered that a copy of this resolution be forwarded to the Governments of Madras, Bengal, North-Western Provinces and the Punjab, and the Chief Commissioners of Oude and the Central Provinces, for information and guidance.
