No. 958

From

G. D. Laman Esq^d,
Acting Collector of the Ristna District

To

J. Grose Esq^d,
Secretary to the Board of Revenue
Madras.

Sir,

I have the honor to report for orders the following circumstances connected with an Inam in the village of Lokamudi in Gudivada Talug.

2. The Inamdars are Gantosalu Subbanna and Gurumarti. The Inam is A. C. 8. 56 in extent, is classed as usual wet and is situate in a large Porumbokk block No 98; it has never been demarcated in the block.

3. The Inam has never been cultivated by the Inamdars.

4. In fueli 1279 parts of the block No 98 including the Inam land were taken up by the villagers and cultivated. No pattas were granted for their holdings as they are not demarcated

demarcated in detail and being subject to flooding from the surplus water of the Collair Lake are such that the ryots prefer to duckhast for them from year to year. This is, in accordance with the District custom.

5. The Inamdars now request that as their Inam was rented out and assessment collected on it, the assessment less the quit rent due by them may be made over to them and their Inam properly demarcated and made over to them.

6. For this I would request the Board's sanction. The accompanying table shows the amount of land cultivated in each year, the dist due and the amount of refund due to the Inamdars amounting to Rs 64.7-9.

District Collector's Office,
18-March 1872.

I have &c
(Signed) G.D. Leman
