The Sub Collector under whom this officer served makes the following remarks:-
"This servant is unacquainted with English, and somewhat slow about his work. He has always however done his work steadily, and to the best of his ability during the 3 1/2 years

I have been in the District. His health is good and he would most probably have been able to complete the period of Service required to entitle him to half pension on the medical certificate had not the terms of the 5 years order (that all unencumbered servants except in exceptional cases to be disposed of by Government should be required to retire on attaining 55 years of age) compelled me to order his retirement from the earliest date on which I could procure a person to succeed him, there being nothing in his case so exceptional as to justify or render advisable an application to Government to permit his retention in the Service. Under these circumstances and considering Pheeman Row's total length of service (33-6-20) I think that he may properly be granted a higher rate of Pension than he is strictly entitled to under the rules & recommend that he receive a pension of Rs 30 per mensem.

To His Excellency the Right Honourable the Governor

The humble Petition of Vuttungand
Bheemaroo, Sheristadar of the Taluq
of Dindigul in Madras District.

My Lord,

Petitioner is the identical Taluq Sheristadar, to whom a
pension is recommended by the Sub Collector in his register of
application N^o. 446 dated 22nd December 1871, submitted to
Government by the Collector of the District of Madras on the
31st January 1872.

The object of the presentation of this Petition is nothing
more than that Petitioner is heartily willing to retire from
his from the date mentioned in the Sub Collector's Register
of application adverted to, provided the Government would
be so good as to sanction the amount of Rupees 30
per month as at present stated by that authority.

In the event of your Lordship's Government recommending
the period of service as less than 25 years that he has in any
served 33 $\frac{1}{2}$ years, your Petitioner most respectfully begs leave
to submit that, as the recommending authority (Sub Collector)
does not impeach Petitioner's character in any way whatever
except declaring him to be fit still to serve, altho he is of
56 years old, and stating that his recommendation is chiefly
submitted with reference to the recent rules of the age
(55 years) this Honorable Government should, if it thinks
just & proper be pleased to allow Petitioner to serve at
least one year & months & 15 days to complete the period
of 25 years, in as much as he is quite competent both body & mind
& mentally to serve some years more, by granting him
prayer the double charge, i.e. of paying Petitioner his leave
& Robo to his successor per mansuam will also be a saving
to the State.

Your Petitioner shall be in duty

character is unblemish-
ed and that the authority
recommending him for
pension is clearly of
opinion that he is fit
to serve sometime longer.

Prays that he may
be either allowed to serve
out the remaining period
of 1 year 8 months ^{20 days}
to obtain a good service
pension of Rs 30.

The humble supplemental

Petition of V. Rheeema Das

Sheristadar of the Dindigul

Taluk, Madras District.

Most Respectfully Sheweth,

That in the matter of Pension
recommended to be granted to Petitioner by
the ~~Collector of Madras~~ the ~~Petitioner~~ forwarded
a Petition to your Hon. Government, on the
5th Instant, to which, he now respectfully requests,
this may be taken as the supplement, and
the prayer therein solicited be granted for
the following reasons;—

In the Col. of remarks—
subcollector himself admits that Petitioner's
health is good and he is able to conduct
duties for some time, but ~~that~~ the rules
of 55 years, compelled him to order Petitioner's
retirement.

retirement. That officer does not, in any way, impeach his character except that he ~~thinks~~ that Petitioner is "slow" but "steady". Petitioner would here respectfully point out that steadiness of ~~work~~ probably requires a little slowness; and he that is hasty cannot be steady.

II That Petitioner has served Government, faithfully and diligently, on the whole, ^{y. m. d.} 33-6-25; during this long period, he has taken only one month's leave, on half pay, ~~and that under the privilege leave.~~ Had he taken leave, year after year, he could have availed himself of 30 months Privilege Leave and could have drawn full pay without actually serving Government; and this period, for arguments sake at least, may be taken as being at Petitioner's Credit.

III That from the total period of Petitioner's service, ^{y. m. d.} 10-2-10, are deducted for service not in Pensionable Grade. The Petitioner has served Government in this grade as faithfully and diligently as in the Pensionable Grade.

but his service in the former is excluded merely on the technical ground, that service of persons on or below 10 Rs, is not to be counted towards pensions. Petitioner firmly believes that service to Government is still a service, but the rising to higher appointment and higher emoluments entirely depend on fortune and recommendation. Besides, Persons whose grades are, as a rule, not pensionable, are allowed in some instances to draw Pension for good service.

Under these grounds, your honorable Government, will be pleased graciously to take the strong & kind recommendation of the Sub Col^y and the above circumstances into their deep consideration and either grant him a half Pension of Rs 30 or allow him to continue in office to complete the short period of service of ^{y. m. d.} 1-8-15; as prayed in his first Petition above alluded to, for the want of which, the Petitioner trusts, the Government will not subject him to a heavy loss of 10 Rs monthly.

Dated 7th March 3
1872

Shall ever pray
L. S. Sanyal

Shri Sanyal, District Sanyal

his letter & recommend
 Pte for pension remarks
 that he is slow but steady.
 Pte lvs to point out
 that a hasty man cannot
 be steady; that he has
 served Govt faithfully
 & diligently for the long
 period of 33 years. 6 months
 & 25 days & has only
 taken one month's leave
 on half pay & 3 months
 privilege leave; that for
 10 years, 2 months & 10 days
 he had been serving in
 grades not eligible to pension.

Prays therefore that
 either a pension of Rs 30
 be granted to him or
 that he may be permitted
 to serve 1 year 8 mo. & 15 days more.
