

*Proceedings of the Madras Government, Revenue Department,
11th April 1872.*

No. 106. Read the following endorsement of the Secretary to Government,
Public Works Department, dated 8th April 1872 :—

Read the following letter from the Consulting Architect to Government, Madras,
to the Secretary to Government, Public Works Department, dated
Trevandrum, 30th March 1872, No. 40.

I HAVE the honour to submit revised designs for such 1st-class Taluq Out-
cherries as have not yet been commenced.

2. The original designs for these buildings have been at various times altered
and curtailed, and these alterations and curtailments have been made without any
regard to appearance. Assuming that the accommodation provided in the last
approved design is the minimum, I have drawn up, with the concurrence of His
Excellency the Governor in Council, a plan embodying all the essential points in
a neater and more pleasing form without entailing any increase of cost.

3. The details which accompany these plans are full and clear, and the specifi-
cation, also under revision, I will forward in a day or two.

TRANSFERRED to the Chief Secretary's Department.

(Signed) J. CARPENDALE, Colonel, R.E.,
Secretary to Government
