Proceedings of the Madras Government, Revenue Department,
11th April 1872.

No. 108. Read the following letter from the Acting Registrar of the High Court of Judicature at Madras, to the Acting Secretary to Government, Judicial Department, dated Madras, 11th March 1872, No. 475 :—

With reference to the Proceedings* of Government marginally noted, I am directed to bring to the notice of the Government the necessity of providing suitable accommodation for the District Munsif of Trivellore.

* 3rd June 1868, No. 898.
31st Aug. ,, ,, 1,342.
8th April 1869, ,, 561.

2. The Chief Justice has personally inspected the building now occupied as a Court-house by the Munsif, and he authorizes me to state that it is in itself wholly unsuited for the purpose, and that, owing to its situation in a crowded and noisy thoroughfare, the work of the Court is not unfrequently much interrupted.

3. The business is greatly in arrear, and the High Court has urged upon the Munsif the necessity of applying himself diligently to reduce the arrears. It is hoped that the Government will, without delay, provide him with a fitting Court-room.

4. It is understood that the proposed erection of a new Court-house near the Tahsil Cutcherry may not immediately be undertaken. I am directed to suggest that, as a temporary arrangement, accommodation be found for the District Munsif in the new and spacious Tahsil Cutcherry building. The Tahsildar has expressed his willingness to give up his large Court-room for the use of the District Munsif and a portion of another room for the Gumastahs.

5. It would be distinctly understood that if these rooms are hereafter required by the Revenue Department they will be vacated.

Transferred to the Revenue Department, with reference to the Proceedings Board of Revenue, No. 5,076, dated 19th December last.

(Signed) D. F. CARMICHAEL,
Acting Secretary to Government.

No. 109. Order thereon, 11th April 1872, No. 591.

Miscellaneous.

The Government cannot sanction the proposed arrangement, which they are satisfied would be productive of the greatest inconvenience on the Revenue side ; but they suggest, for the consideration of the High Court, that, as a temporary measure, the Munsif's Court may be re-transferred to Conjeveram, where suitable accommodation can be rented; and, meanwhile, orders will be issued in the Department Public Works to proceed forthwith with the erection of the Court-house in Trivellore, for which the whole amount required is provided in the budget. The Government desire that the work be completed with the least possible delay.

Proceedings of the Board of Revenue,
dated 19th December 1871.

Read the following letter from
R. W. Barlow, Esq. Ag: Collector of Chingleput,
to the Secretary to the Board of Revenue, dated
Tydapet, 7th December 1871, No. 596:-

Abstract- Forwards for the orders of the Board,
copy of a letter from the Civil Judge, Chingleput,
requesting permission for the District Munsiff
of Trivellore being allowed temporarily to hold
his Courts in the Taluq Cutcherry building there.

The Collector and Tahsildar both
state that the proposed course will be extremely
inconvenient. It is further obvious that
sanction not having been obtained for the
erection of a Court House, the Munsiff's occu-
-pation of a portion of the Tahsildar's Cutcherry
would be anything but 'Temporary'.

2. The Board therefore cannot sanction
the proposal. They observe from the Munsiff's
letter that accommodation could easily be
found for the Court at Conjeveram,

where

Revenue indeed it was removed in
1867 only.
