to submit, for the sanction of Government, plans and estimates, together with specification reports, for the construction of Taluq Cutcheries and Subsidiary Jails at the seven stations as per margin, out of the eight referred to in paragraph 4 of the Judicial Department Order, No. 1246, dated 6th September 1871, which have been prepared in accordance with the revised designs.

2. As regards the estimate called for, for the 3rd Class Subsidiary Jail at Arnee, I now beg to state that the building in question was completed on the original sanctioned design in the year 1870-71, and the only work remaining to be done at Arnee is the sinking of a well in the compound of the sub-jail, for which an estimate of Rupees 170 is, herewith, submitted for sanction.

3. It was inadvertently reported in the statement which accompanied the Superintending Engineer's letter to Government, No. 1588, dated 12th July 1871, that the 3rd Class Subsidiary Jail at Arnee was not commenced, and that the revised plan might be adopted although the work was then completed.

4. I also beg to submit, for sanction, four plans and estimates for works as per margin, which have been prepared on the original sanctioned designs as directed by Government.

5. As directed in paragraph 2 of the Order of Government in the Judicial Department, No. 1373, dated 3rd October 1871, I beg to submit a comparative estimate of the cost of buildings on the

original and revised designs for the seven stations out of the eight mentioned in paragraph 4 of the Judicial Department Order, No. 1246, dated 6th September 1871.

6. As funds have been already granted for some of these works in the Provincial Budget of 1872-73, I beg to recommend that a further sum of Rupees 51,657, which is still required to complete the several buildings, as per enclosed statement, may be granted from the current year's Reserve Fund under the head "Civil, New—Provincial" at the disposal of Government.

Transferred to the Judicial Department, with reference to the orders in that Department, dated 3rd October 1871, No. 1373.

FORT ST. GEORGE,
29th April 1872.

(Signed) G. W. WALKER, Colonel, R. E.,
Secretary to Government, P. W. D.
