

No. 163. Read the following Proceedings of the Board of Revenue, dated 8th April 1872, Miscellaneous No. 2,542 :—

Read the following letter from the Officiating Collector of Tanjore, to the Secretary to the Board of Revenue, dated Tanjore, 30th January 1872, No. 36.

WITH reference to the Proceedings* of Government dated 10th instant, No. 60, I have the honour to submit, in

* Revenue Department.

a tabular form, a report on the Uncovered Servants who have passed the age of fifty-five in this district.

2. To the thirteen individuals reported upon in my previous letter to Government, I have added the two named in the margin, who have since, but before the close of the past calendar year, completed their fifty-fifth year.

3. I submit this report through the Board, because from the Board's Proceedings dated 14th ultimo, No. 5,024, I find that, though the Government Order on the subject was addressed to the Collectors direct, the report from North Arcot was made to them.

4. I beg, with advertence to the order of Government on my previous report, to be informed whether a special report should be made and the sanction of Government obtained as well as for the retirement of individuals under the rule as for the retention of those whom it may be considered desirable to retain in the service after they have attained the age of fifty-five; and also whether in either case a report should be made as each individual completes this age, or it will be sufficient if a general report be made annually or at other stated periods.

5. I take this opportunity also of inquiring whether the fifty-five year Rule applies also to Peons, Office-servants, the village establishment, and the establishments paid from the Endowment and other Local Funds. I include the establishments last indicated in this inquiry, because, as the Board are aware, the establishment of the late Rajah's chuttrums, and which was recently revised under the sanction of Government noted in the margin with the hospitals and schools therewith connected, is under the management of the Collector as Agent to the Board of Revenue under Regulation VII. of 1817.

Proceedings of Government, 14th October 1868, No. 2,632.

*Proceedings of the Madras Government, Revenue Department,
17th April 1872.*

REPORT on Uncovenanted Servants who have passed the Age of Fifty-five in the District of Tanjore.

Name.	Designation of Office.	Salary.	Age on 1st Janu-ary 1872.	Total length of Service.	Collector's Recommendation.	Board's Recommendation.
1. Kuppayar ...	Assistant Huzur Vernacular Record-keeper.	RS. 20	55	Y. M. 40 6	This individual is not physically incapacitated for his work, and although his total service amounts to 40½ years, the portion which would count for pension, is only 11½ years, which is insufficient even for one-third pension. On further consideration, therefore, and adverting more especially to the spirit of the Government Order dated 10th instant, No. 60, I would recommend that he be retained till he has completed the service required for one-third pension, so that he may not, after an actual service of 40½ years, be turned out without any means of subsistence.	The Board support the Collector's recommendation.
2. Timmappa ...	1st Class Revenue Inspector, Combaconum Taluq.	30	55	29 7	This individual is inefficient, and his remissness in the discharge of his duties has been repeatedly brought to notice. His retirement, therefore, would doubtless conduce to the interests of the public service.	Do.
3. Seshappaiyar.	3rd Class Revenue Inspector, Combaconum Taluq.	20	60	39 7	Since I submitted my last report, the Assistant Collector in charge of the taluq has recommended that, in consideration of the satisfactory state of his collections, this individual should be retained. I have myself since seen and examined him. He is a man of strong and robust constitution. I consider, therefore, that he may continue in the public service for 2 years longer.	Do.
4. Vaithilinga Pillay.	Head Shroff, Nannilam Taluq.	15	66	49 7	These individuals, the Sub-Collector says, are from age and debility, quite incompetent to do their work. He adds that "their presence in the Office caused much delay and inconvenience."	Do.
5. Vaithilinga Pattan.	2nd do. do. ...	10	61	32 1		
6. Ramaiyar ...	1st Class Revenue Inspector, Negapatam Taluq.	30	59	40 9	This individual is also reported by the Sub-Collector to be inefficient from age and physical weakness.	Do.
7. Rama Row ...	Head Gumastah, Tritrapundi Taluq.	20	56	28 0	This individual is not physically incapacitated for his work which the Tahsildar reports is performed very creditably. His service in grades eligible for pension being sufficient for only one-third pension, which would be about Rs. 6, and insufficient for the maintenance of himself and his family; he begs that he may be allowed to continue in the service. I think he may be retained for two years longer.	Do.
8. Raghavayangar	1st Class Revenue Inspector, Shialli Taluq.	30	61	34 5	Very inefficient. The Acting Head Assistant Collector states that "it was entirely owing to his age and length of service that this individual escaped suspension for a recent breach of duty."	Do.
9. Viranna Pillay.	Assistant Salt Superintendent, Arasanagiri.	15	56	31 7	The Salt Deputy-Collector states that this individual no longer possesses the energy and ability for the out-door work required for his office, and further that a constitutional affection disqualifies him for the public service altogether. This individual begs to be permitted to retire.	Do.

*Proceedings of the Madras Government, Revenue Department,
17th April 1872.*

REPORT on Uncovenanted Servants who have passed the Age of Fifty-five, etc.—(Concluded.)

Name.	Designation of Office.	Salary.	Age on 1st Janu-ary 1872.	Total length of Service.	Collector's Recommendation.	Board's Recommendation.
10. Rama Row...	Head Gumastah, Negapatam Taluq.	RS. 20	56	Y. M. 38 9	Is reported by the Sub-Collector to be efficient and useful, and may be retained for a further term of two years, subject to annual report.	The Board support the recommendation.
11. Venkat Row.	3rd do. do. ...	15	58	32 9	Gives satisfaction to his superior, the Tahsildar. The Sub-Collector thinks he may be allowed to serve another year.	Do.
12. Seshaiyangar.	Gumastah, Land Custom station, Sanamangalam.	12	55	12 8	Is reported by the Sub-Collector to be efficient and useful, and may continue in service two years more.	Do.
13. Srirama Naik.	Salt Superintendent, Tranquebar.	50	58	24 9	The Salt Deputy-Collector considers that, though active for his age, this individual "is getting too old for such work," and is, in his opinion, unfit for further effective service. In this opinion, however, I do not concur. Srirama Naik is a man of strong hardy constitution, and of active and temperate habits. He is yet only 58 years, and may, I think, be, with advantage to the public service, retained for two years more.	
14. Subbu Chetti.	Clerk, Kattimavadi Salt Division.	15	55	36 10	The Salt Deputy-Collector says that this individual is "mentally unfit" for his post, and that he could not conscientiously recommend his retention in the service as expedient.	The Board concur.
15. Naga Pillai...	Muchi on the Collector's Establishment.	12	68	19 1	Has retired by his own choice.	

(Signed) W. M. CADELL,
Officiating Collector.

The report will be submitted for the orders of Government. The Board concur with the Collector in each case.

2. The fifty-five year rule applies only to officers in pension grades (*vide* Section 53 of the Civil Pension Code).

No. 164. ORDER THEREON, 17th April 1872, No. 619.

Miscellaneous.

The compulsory retirement or further retension in the service of the officers above the age of fifty-five years, whose names are included in the list accompanying the above letter, are approved in accordance with the Collector's recommendations, but in many instances Mr. Cadell has expressed no opinion.

*Proceedings of the Madras Government, Revenue Department,
17th April 1872.*

2. The sanction for retention in service will operate until orders are passed on the next annual report which must include *all* the cases of men over age then in the service.
