*Proceedings of the Madras Government, Revenue Department,
18th April 1872.*

No. 177. Read the following Proceedings of the Board of Revenue, dated 9th April 1872, Miscellaneous No. 2,579 :—

Read the following letters :—

From the Collector of South Arcot, to the Secretary to the Board of Revenue, Madras, dated Punrooty, 21st February 1872, No. 43.

IN forwarding herewith copy of a letter from my Head Assistant, I have the honour to request that the Board will recommend to Government the transfer of the seventeen villages, enumerated in the accompanying list, from the taluq of Villapuram to that of Tindevanam.

2. It will be seen from Mr. Chamberlain's report that the first of these villages was included in the Villapuram Taluq, on the ground that the principal portion of the Shrotriem, of which it formed a part, lay in that taluq; but as the Shrotriem has now been resumed, and as all the villages named in the list are nearer to the cusbah town of Tindevanam than they are to that of Villapuram, I recommend that the proposed transfer be sanctioned. On a reference to the District Map, it will be seen that an angle of the Villapuram Taluq thrusts itself into the Tindevanam Taluq a little to the south-west of Tindevanam itself. All the villages now proposed to be transferred are situated in the said angle. The total beriz of them in Fasli 1280 was Rs. 16,311-13-10.

—

From the same officer, dated Villapuram, 7th March 1872, No. 71.

IN reply to the Board's official memorandum dated 28th February, I have the honour to annex a statement showing the population of the seventeen villages referred to in my letter No. 43, dated 21st February 1872, as well as the revenue and population of the Villapuram and Tindevanam Taluqs.

—

THE Board resolve to recommend Government to sanction the proposed transfer of seventeen villages from the taluq of Villapuram to the taluq of Tindevanam.

2. All the villages are nearer to Tindevanam than to Villapuram, and they are situated in an angle of their taluq which runs up into the middle of the Tindevanam Taluq.

3. The revenue and population of the taluqs are as follow :—

	REVENUE.		POPULATION.	
	Present.	Proposed.	Present.	Proposed.
	RS.	RS.		
Tindevanam	5,43,659	5,59,971	239,963	248,156

From

G. W. Chamberlain Esq^r
 Agt^d Assistant Collector
 South Arcot.

To,

J. H. Garstin Esquire
 Collector of South Arcot.

Sir,

I have the honor to return
 in petition from Venkatachella
 Pillay, Curman of Muthkuran
 village, Tindivanam Taluq, referred
 to me by you by endorsement No 26
 dated 3^d October last, and to forward
 Arzies from the Gingee Deputy
 Tahsildar and Tahsildars of Tinde-
 vanam and Villapuran Taluqs
 respectively.

The village of Agaloor re-
 ferred to in the petition is an integral
 portion

portion of the Tindivanam Taluq,
but appears to have formed part
of a Shrotriam the principal por-
tion of which was in Villapuram
Taluq, and to have been included
in that Taluq for the convenience
of the Shrotriamdars. As it has now
reverted to Government there is
no longer any reason for continuing
such an anomaly.

3. The 16 other villages men-
tioned in the Gingee Deputy Tah-
sildar's Arzi are much nearer
to Tindivanam than to Villapuram
and some of them are
quite close to Gingee, while they
are at a very considerable dis-
tance from their nominal Taluq
Cumbak Villapuram.

4. I have therefore the
hon^r to recommend that the
