Paragraph 2 referred to His Excellency the Commander-in-Chief, with ad-
vance to Proceedings of Government, No. 3415, dated 23rd October 1871.

5th December 1871.

No. 76. From the Officiating Quarter Master General, to the Officiating Secre-
tary to Government, Military Department; dated Fort Saint George,
19th December 1871, No. 7011.

With reference to Order of Government, No. 2027, dated 30th November 1871,
Revenue Department, referred under your docket dated 5th December 1871, I have
the honor, by order of the Commander-in-Chief, to state that none of the elephants
belonging to the Mysore Division are available for hire to the Forest Department,
as they are all now in progress.

2. On a reference to the Commissary General on the subject, that officer
observes that unless there is any urgent necessity, it is desirable that the decision
passed by Government in Order of Government No. 1379, dated 4th April 1868,
should, as a rule, be adhered to, as it is a question whether the payment of the actual
expenses of the animals would compensate for the wear and tear, and that as elephants
are now more expensive and difficult to re-place than formerly, it is most necessary
that every care should be taken of these animals to ensure their being at all times
serviceable and efficient to meet any calls which may be made upon them for the
army, for whose use they are maintained.

3. His Excellency coincides with the Commissary General in the foregoing
views, and submits the same for the consideration of Government.
