*Proceedings of the Madras Government, Financial Department,
4th January 1872.*

No. 1. Read the following Proceedings of the Board of Revenue, dated 22nd November 1871, No. 4815 :—
From the Acting President of the Local Fund Boards, Canara Circle, to the Acting Secretary to the Board of Revenue, dated 19th September 1871, No. 40.

ABSTRACT.—Submits, for sanction, a revised estimate for the Anaycul Bridge on the road from Puttur to Manjeshwar by Vitlah, amounting to Rupees 11,350, and requests that the sanction of Government may be obtained to it at an early date to admit of the work being completed in the current year.

The revised estimate, amounting to Rupees 11,350, for bridging the Anaycul River is submitted for the sanction of Government.

2. The amount of the original estimate, sanctioned in Government Order, Revenue Department, dated 20th January 1868, No. 152, is Rupees 8,530. The present estimate shows an excess of Rupees 2,820 over the original one.

3. The excess is attributed to various causes, which are satisfactorily accounted for in an extract from a letter from the Officer in charge of the Puttur Range, which forms an enclosure to the Acting President's letter.
