23rd April 1872.

No. 245. Read the following letter from the Acting Collector of Bellary, to the Secretary to Government, Revenue Department, Fort St. George, dated Ramandrug, 17th April 1872, No. 35 :—

With reference to the Order of Government No. 66, dated 9th instant, on the subject of a site for the new Telegraph Office at Bellary, I have the honour to state that, at the request of the Superintendent of Telegraphs, Bangalore Division, I referred the question of a building being erected on the locality selected a second time to the Municipal Commissioners, and as they thought fit to retract their former resolution, and resolved *unanimously* that a building might, without objection, be erected there, the ground was given over to the Public Works Department last month, and the Telegraph Office is being proceeded with.
