SIR,—In continuation of my letters dated 22nd December 1871 and 18th January and 11th March 1872, Nos. 2,162, 115, and 431, I am directed to forward the accompanying collection of papers relative to the state of the Vizagapatam District.

2. The Government of India are aware that this district, like the Ganjam district, suffered more or less from the failure of the north-east monsoon, and that distress was apprehended in consequence.

The papers enclosed include a report* from Mr. Thornhill, dated 5th instant, detailing the results of his tour in the district, to which I am directed to invite the attention of the Government of India. The Government are glad to state that, so far as present circumstances show, the relief measures which have been adopted in

the district are sufficient to meet its immediate requirements.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) W. HUDLESTON,
