Proceedings of the Madras Government, Revenue Department,
25th April 1872.

No. 268. Read the following letter from the Under-Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce, (Agriculture and Horticulture,) to the Secretary to the Government of Madras, dated Fort William, 10th April 1872, No. 3-160:—

In answer to your letter No. 419, dated the 9th ultimo, I am directed to intimate that five barrels of seed have been forwarded to the Master Attendant at Calcutta for transmission to you for the purpose of further experimental cultivation in the Madras Presidency.

2. You will also receive two additional barrels addressed one to the Chief Commissioner of Khurg, and the other to the Resident at Haidarabad; and I am to request that, with the permission of His Excellency the Governor in Council, you will be good enough to have them sent to their respective destinations.

3. I am at the same time to state that the Governor-General in Council will be glad to be furnished, at the earliest possible date, with an accurate and detailed report of the results of the present year's sowings, accompanied by a note showing what further supplies of the seed, if any, will be required for the next year. I am to add that, in the event of the cultivation proving a success in the Madras Presidency, His Excellency in Council hopes that as large a portion of the produce as possible will be saved for seed, so as, firstly, to determine whether the quality deteriorates, and secondly, should this not be the case, to render the Government of India independent of further supplies from America.

No. 269. ORDER THEREON, 25th April 1872, No. 672.

Miscellaneous.

ORDERED to be communicated to the Board of Revenue, with reference to G. O., 9th March 1872, No. 418.

2. It is observed that the five barrels of the seed, referred to in paragraph 1 of the foregoing letter, were forwarded to the Board on the 22nd instant, and

that the two barrels, mentioned in paragraph 2, were sent on the same date to the Resident at Hyderabad and to the Chief Commissioner of Mysore and Coorg.

3. The Board's attention will be called to paragraph 3, and they will be requested to forward in due course the report and information therein required.
