*Proceedings of the Madras Government, Revenue Department,
26th April 1872.*

No. 274. Read the following letter from the Acting Accountant-General, Madras, to the Officiating Chief Secretary to Government, dated Fort St. George, 22nd April 1872, No. 42 :—

With reference to Proceedings No. 618, dated 17th instant, I have the honour to recommend that the Secretary of State be asked to make the payment. Mrs. Boswell will, at present rates, probably save about 2 per cent. It should be distinctly stated that the payment, if made in India, would now be taken against Minor Departments, to which head the Government of India has lately transferred the charge of "Gazetteer and Statistics." Unless this is pointed out, it may be debited to this Government in the London Account Current, for the payments to Messrs. Carmichael and Nelson went against a detailed head, which now falls under Provincial Services.

2. I may add that adjustment by help of the Secretary of State seems the more proper as well as the more profitable to the payee ; but if Government still wish me to remit by Bills, Mrs. Boswell's full name should be given, as Banks generally, I believe, demand this in the case of married ladies.

No. 275.

ORDER THEREON, 26th April 1872, No. 675.

Miscellaneous.

ORDERED accordingly that the Secretary of State be requested to cause the payment to be made to Mrs. Boswell.

2. MRS. BOSWELL will be advised to make application for payment at the India Office.

Officiating Chief Secretary.
