

*Proceedings of the Madras Government, Revenue Department,
29th April 1872.*

No. 300. Read the following Endorsement of the Secretary to Government,
Public Works Department, dated 22nd April 1872.

Read the following papers:—

From J. B. PENNINGTON, Esq., to the Officiating Chief Secretary to Government, dated Madras, 17th April 1872.

I HAVE the honour to submit, for orders, copies of correspondence with the Department Public Works, with reference to the produce of the Cocoanut trees in the Chepauk Park, which I consider should now be credited to the fund for the improvement of the Park. I applied demi-officially to the Superintending Engineer, and the correspondence enclosed is the result.

From the Officiating Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 13th April 1872, No. 205.

I HAVE the honour to report that the income accruing from the produce of the Cocoanut trees in the Chepauk Park is at present credited in the Public Works Accounts under the head "Revenue Miscellaneous." Mr. Pennington, the Sub-Secretary to the Board of Revenue, who is in charge of the Park, is anxious that the amount should be transferred to the credit of the Park, as a set off to the expenditure incurred by him, I have the honour to request that you will be good enough to obtain the sanction of Government to the transfer in question.

REFERRED to the Controller of Public Works Accounts for report as to whether there is any objection to the proposal.

(Signed) G. W. WALKER, Colonel, R.E.,
17th April 1872. *Officiating Secretary to Government, P.W.D.*

From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 19th April 1872, No. 182.

I HAVE the honour to re-transmit letter No. 205, dated 13th April 1872, from the Officiating Superintending Engineer of the 4th Division to your address, referred to me for report on the 17th idem, and to state that the cost of improvements to the Chepauk compound, etc., is properly debitable to Provincial Service Funds, the revenue derived therefrom being credited to that head of service.

2. There is no objection to Mr. Pennington's proposal, if Government should be pleased to consider the arrangement desirable; in which case, the produce of the Cocoanut trees may be disposed of under the immediate orders of that gentleman, without bringing the transaction into the Accounts of the Range.

TRANSFERRED to the Revenue Department.
