Proceedings of the Madras Government, Revenue Department,
30th April 1872.

No 319. Read the following Proceedings of the Board of Revenue, dated 16th April 1872, Miscellaneous No. 2,789 :—

Read letters from the Collector of Tinnevelly, dated 13th June 1871, No. 254, 12th September 1871, No. 387, and 8th Febru... 1872, No. 36.

[redacted]

SUBMITTED for the orders of Government, with reference to Government Order dated 16th July 1870, No. 1,094.

2. In the order just quoted Government observed that it was inexpedient to apply the provisions of Act I. of 1870 to the Palamcottah and Tinnevelly Ferry, as the bridge would soon be built, and that the traffic between the two towns being considerable, it was advisable to encourage rather than restrict private individuals in keeping up boats.

3. The Collector, however, recommends that the provisions of the Act be extended to this and certain other ferries in the district, in order to prevent disputes and constant applications from rival claimants of the ferry farms. It appears that the owners of the private ferries consent to waive all claims to compensation under Section 20 of the Act, on condition of the ferries being leased to them at a moderate rent.

4. Under these circumstances the Board resolve to support the Collector's recommendation, and to submit the following draft Notification :—

NOTIFICATION.
