Proceedings of the Madras Government, Revenue Department,
6th May 1872.

No. 38. Read the following Proceedings of the Board of Revenue, dated 15th April 1872, Miscellaneous No. 2,745 :—

Read the following letter from R. W. COCKERILL, Esq., Acting Surgeon, 3rd District, to the Secretary to the Board of Revenue, dated 1st April 1872, No. 9.

WITH reference to the Board's Miscellaneous Order No. 2,031, dated 16th March 1872, and Order of Government dated 13th March 1872, No. 445, I have the honour to state that I have carefully examined Mr. Smith, and had an account of his former ailments from his medical attendant, and have arrived at the conclusion that, although Mr. Smith may at present be able to perform the duties of a Deputy-Collector in the Salt Department, he can only do so at considerable risk to his health. I do not, therefore, advise Government appointing him to an office involving so much exposure.

SUBMITTED to Government with reference to Government Order, 13th March 1872, No. 445. Under the opinion expressed by the District Surgeon, the Board are not prepared to recommend Mr. Smith's re-appointment to the charge of the Salt Department. It is matter of regret to the Board that the change of appointment should necessarily result in a loss of salary to Mr. Smith, but it would be alike ~~unjust to the interests of the State~~ that he should be replaced in a post entailing so much exposure.

No. 39. ORDER THEREON, 6th May 1872, No. 726.

ORDERED to be recorded.
