*Proceedings of the Madras Government, Revenue Department,
6th May 1872.*

Read the following:—

No. 52. Petition from RAMIEN, Revenue Inspector, 3rd-Class, Pereakolam Taluq, Madura District, dated 31st January 1872.

ABSTRACT.—States that his services have, in November 1871, been dispensed with by the Collector as petitioner attained his fifty-sixth year; that his services amount to thirty-eight years, but that fifteen of which having been in an appointment of a salary below Rs. 10, only twenty-three could, under the Rules, be reckoned towards pension.

Represents that he is still able to perform the duties of his office efficiently at least for five years more, and that his statement would be found correct if he be subjected to medical examination.

Prays, therefore, for orders to the Collector to retain petitioner, on medical examination, in the service at least for four years more, so that he may complete the period of service entitling him for a moiety of his salary as pension, or for the sanction of that moiety in consideration of his long and faithful service of thirty-eight years, and also for orders to the Collector to provide petitioner's son, who is old enough, and knows English, with an appointment, as he has done in the case of several others in the district.

—

No. 310.

THE Government presume that the Collector will lay petitioner's case before them, if it is desirable, on public grounds, to exempt him from the 55-year Rule.

(By Order.)

FORT ST. GEORGE,
5th March 1872.

(Signdd) H. WELLESLEY,
Under-Secretary to Government.

—

From the Acting Collector of Madura, to the Officiating Chief Secretary to Government, Revenue Department, Fort St. George, dated Madura, 18th April 1872, No. 703.

WITH reference to the Order of Government on Petition No. 310 of 1872, dated 31st January 1872 (herewith returned), I have the honour to state that the Tahsildar of Pereakolam, under whom the petitioner serves, is of opinion that he is able to perform his duties efficiently for two or three years more. I have examined the petitioner, and agree with the Tahsildar that he is physically fit to continue in the service for some time longer. I beg, therefore, to recommend that petitioner may be allowed to remain in the service for three years more, within which period he will serve out his time for half pension.

2. In their order in the Pension Department No. 198 of the 9th April 1872, the Government have granted to the petitioner a pension of Rs. 5-8-1 per mensem, equal to one-third of his average salary.
