

*Proceedings of the Madras Government, Revenue Department,
7th May 1872.*

No. 59. Read the following Proceedings of the Board of Revenue, dated 24th April 1872, Miscellaneous No. 2,977:—
Read the following letter from the Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 5th April 1872, No. 1,098.

I HAVE the honour to return, through the Board, Government Petition No. 193 of 1872, referred to me for report.

2. Y. Subbaya, petitioner, was a Gumastah on the Revenue Establishment of the Gunttoor Taluq, and was removed by Mr. Hannington from service from 1st December 1871, as he had then attained the age of fifty-five years (Notification of the Government of India of 15th June 1871, No. 2,931).

3. Petitioner represents that of the twenty-eight years and ten months of his entire service, nearly seven falling in grades ineligible for pension, the remainder will only entitle him to a one-third pension of Rs. 5-0-10—a sum, as he represents, barely sufficient to maintain him. He begs to be retained in the service for four years and three months more.

4. I have had him before me to see if he is physically fit, and I am of opinion that he may be permitted to continue for another two or three years in the Government service.

SUBMITTE for the favourable consideration of Government.

No. 60.

ORDER THEREON, 7th May 1872, No. 737.

Miscellaneous.

SUBBAYA's retention in the service is sanctioned, subject to annual report on his efficiency.

The Right Honorable the
Governor in Council
Fort Saint George.

Most Honored Sir,

The humble petition of
Myetery Subbaya, 3^d Rank
Gumasta in the Guntoor
Talug, Krishna District.

With due deference and profound
submission I respectfully beg to lay
my poor case before your Government,
trusting that it shall meet with the
serious considerations of your honorable
Government.

While I remain Gumasta in the
Guntoor Talug, I was compelled to retire
on pension from the 1st December 1871.
By the order of the Sub Collector issued
in accordance with G. O. No. 1735 dated
4th October 71 in consequence of my having
completed 55 years of age. I was
retained in the service during Mr.
Goodlingham's term of office as Collector
of this District. From that date up to the
1st December last, I had served for
23 years 10 months and 14 days of which
6 years 11 months and 14 days on a salary

of 10 Rupees, 21 years 10 months and
10 days on a salary of 12 Rupees,
and the rest on 75 Rupees. But as 17
years, 11 months and 23 days alone of
my past service being only countable
under the pension rules, it appears
that I am entitled to a pension of 5 Rs.
and 4 annas per mensem. I am a man
of large family, in needy circumstances
and have nothing but the public
service to live on. I have requested
both verbally and also in writing to
the Collector and Sub-Collector to allow
me to continue the service and to re-
commence me to half-pension, but
my prayer was no listened to. I
served the Government in an upright
and honest manner without stooping
to any unfair and undue practice.
After faithfully served under Govern-
ments for about 30 years I find nothing
but to starve myself with my large
family. I therefore now pray your
honourable Government to order that
I may be reinstated to my post and
allowed me to serve longer as I am still
in better strength. I am not at all
willing to leave the service but un-
fortunately compelled by the local
authorities to apply for pension.

not under the Rules only

Recd. M. M. 1/1/1897

If I am at all forced to accede to pension
along it is my earnest prayer that
I should be favoured with half pension.

In conclusion I most earnestly
pray your honorable Government to
take my poor and helpless case into
your kindest consideration and grant
the relief by ordering my re-in-
statement in the public service.

I remain
Honoured Sir

Quitoor

your most obedient
and humble servant

yet under the Rules only
 11 years and 11½ months
 are reckoned towards pension,
 that he is consequently
 entitled only to a pension
 of Rs 5¼ per month, which
 is quite inadequate to
 support himself, and his
 large family solely depend-
 ing upon him; and that
 his application both verbal
 and written to the Collectors
 and the Sub. Collr. to allow
 him to continue in the
 service, as he is strong
 enough, for some time more
 proved unsuccessful.

Prays, therefore, that
 Govt. would either allow
 him to continue in the
 Govt.
