*Proceedings of the Madras Government, Revenue Department,  
7th May 1872.*

Read the following:—

No. 61. Proceedings of the Board of Revenue, dated 22nd April 1872, Miscellaneous No. 2,912.

Read the following letter from the Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 30th March 1872, No. 87.

I HAVE the honour to report that Vencatasami Naick, Sub-lessee of Sivagunga Zemindari, has offered the sum of Rs. 5,100 for the building formerly used as a Head Assistant's Cutcherry at Madura, and I recommend its sale to him, reserving to Government power to occupy it for two years at a monthly rent of Rs. 25-8-0, or six per cent. on the purchase-money. It was offered for sale on those terms under the Order of Government dated 24th January 1872, No. 82, Financial Department, with the consent of the Superintending Engineer, by whose department it is now occupied, though still nominally a Revenue Cutcherry.

2. The price offered is high, and equal accommodation can soon be obtained in the palace. The history of the building shows that it has never been much valued as a public office.

3. After the Head Assistant was stationed at Ramnad, it remained long unoccupied, and was then made over to the District Engineer under Order of Government dated 23rd June 1857, No. 627. Subsequently it was abandoned by the Public Works Department, and the building and site were ordered to be sold at an upset price of Rs. 3,612-5-8, (*vide* Board's Proceedings dated 24th July 1864, No. 1,192). No bid being obtained, it was assigned as a Cutcherry to the Deputy-Collector under Order of Government dated 2nd August 1864, No. 1,372; but its situation was found to be inconvenient, and the Deputy-Collector obtained accommodation in the Collector's Cutcherry.

4. From 1866 to 1868 it was used by the Public Works Department for storing materials for the new jail, and when abandoned by them it was let as a dwelling house. Since 1869 it has been used as an office by the Range Officer.

5. I do not see any reason why the Range Officer's Clerks should not move into the palace immediately, but I cannot speak positively on this point until I have heard from the Superintending Engineer.

SUBMITTED to Government with the recommendation that the sale of the building, on the terms set forth by the Collector, be sanctioned.

No. 62. Proceedings of the Board of Revenue, dated 22nd April 1872, Miscellaneous No. 2,936.

Read the following letter from the Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 5th April 1872, No. 94.

WITH reference to the Proceedings of the Board dated 25th January 1872, Miscellaneous No. 650, communicating the Order of Government in the Revenue Department dated 15th January, No. 814, I have the honour to state that the Deputy-Collector on General Duties holds his office in a portion of the Collector's

Cutcherry now ordered to be sold. It will, therefore, be necessary to provide accommodation for him in the palace, but from the plan which accompanied the above order no space appears to have been allotted to him.

SUBMITTED for the orders of Government.

No. 63.

ORDER THEREON, 7th May 1872, No. 738.

Miscellaneous.

BEFORE sanctioning the sale proposed in the first of the above letters, the Government desire to be informed whether space can be allotted in the palace for the office of the Deputy-Collector on General Duties, and whether no better distribution of the Deputy-Collectors can be made in the district than now prevails.
