Proceedings of the Madras Government, Revenue Department, 11th May 1872.

Read the following letters:—

No. 98. From the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 12th October 1871, No. 591.

With reference to the orders of Government dated 30th ultimo, No. 1,709, I have the honour to forward herewith a tabular statement of fresh charges and alterations on account of salaries and establishments of the North Arcot and South Arcot forests and Trichinopoly and Tanjore Railway Fuel Plantations.

2. The items of charges, shown in red ink in the present scale, have not yet been sanctioned by the Government of India, though they were given in a separate statement, which is now under consideration; the Under-Secretary to that Government having requested* the Madras Government to furnish full explanation in connection with the additional establishments for the Bhowany forest and Tanjore and Trichinopoly plantations.

* In letter No. 241, dated 8th ultimo, communicated in G. O., 18th idem, No. 1,623.

No. 99. From the Conservator of Forests, to the Officiating Chief Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 4th March 1872, No. 1,023.

With reference to your official memorandum dated 22nd January 1872, No. 18, I have the honour to forward herewith a revised tabular statement showing in detail the existing establishments of the North Arcot and South Arcot forests and the Trichinopoly, Tanjore, and Madura Railway Fuel Plantations.

2. Rupees 715 were entered in the statement of fresh charges sanctioned by Government for the Railway Fuel Plantations in March 1871, out of which sum the salaries of two of the 3rd-class Overseers on Rs. 60, *plus* Rs. 15 travelling allowance, per mensem, employed on fuel plantations in the North Arcot and Salem Districts, and the pay of a 2nd-class Overseer on Rs. 80 placed in the Bhowany Range for superintending the floating of Railway Fuel on the Cauvery, have been excluded. Whilst the pay of those actually borne on the strength of the establishment of the Trichinopoly Range has been shown in the present scale in red ink, the same not having been confirmed by the Government of India, whose sanction has, however, been accorded† to the employment of a 1st-class Overseer on Rs. 100, *plus* Rs. 30 travelling allowance, per mensem, which has accordingly been exhibited in the accompanying scale of establishment.

† In Resolution embodied in G. O. dated 16th January 1872, No. 96.

3. In conclusion, I trust that the details now given will be found correct.

SIR,—Of the three Assistant Conservators of the 3rd class, sanctioned by the Government of India in May 1871*, two have charge respectively of the North Arcot and South Arcot forests, and under a recent sanction† of that Government, another officer of the same rank has charge of the Trichinopoly, Tanjore, and Madura Railway Fuel Plantations.

2. The Conservator of Forests has now applied for sanction for the employment of the requisite office establishments for these officers, consisting of one Writer on Rs. 25 and five Gumastahs on Rs. 12 each.

3. In North Arcot a revenue of Rs. 10,000 over that hitherto collected is expected by the introduction of the departmental felling for Sandalwood, Redwood stumps and posts; and it is proposed to assign to that range the Writer and one of the Gumastahs, to admit of the books and accounts of receipts and issues of timber from the depôts being systematically kept.

4. Owing to the small revenue in the South Arcot District and the absence of revenue in the Trichinopoly, etc., plantations, two Gumastahs only are proposed for each of these ranges, and they are to be employed on office-work, which, for want of subordinate agency, is now carried on by the Assistant Conservators themselves.

5. Under this explanation I am directed to request the sanction of the Government of India to the employment of the proposed establishment at the total additional cost of Rs. 85 per mensem.

6. The papers on the subject, with a tabular statement in the prescribed form, are enclosed.

Sir,

Of the three Asst. Conservators of the 3d class sanctioned by the Govt. of India in May 1871,† two have charge respectively of the North Arcot and South Arcot Forests, and under a recent sanction of that Govt, another Officer of the same rank has charge of the Trichinopoly Tanjore and Madura Railway Fuel Plantations.

2. The Conservator of Forests has now applied for sanction for the employment of the requisite office establishments for these Officers, consisting of

† P.W. Pro: 29 May 1871 No 337.

* Endorsement Dept. of Agri: Revt & Commerce 18 March 1872 No 377

of one Writer on Rs. 25
and five Gumastahs
on Rs. 12 each.

3. In North Arcot,
a revenue of Rs. 10,000
over that hitherto collected
is expected by the intro-
duction of the Departmental
fellings for Sandal Wood,
Red wood stumps and posts;
and it is proposed to
assign to that range
the Writer and one of
the Gumastahs, to admit
of the books and Accounts
of receipts and issues of
timber from the Depots
being systematically kept.

4. Owing to the small
revenue in the South Arcot
Dist. and the absence
of revenue in the
Trichinopoly & Plantations,
two Gumastahs only are
proposed for each of
these ranges, and they
are

Rec'd Sept. 30 Sept. 1871 Rs. 406.07

are to be employed on offic
work, which, for want of
subordinate agency, is now
carried on by the Asst.
Conservators themselves.

5. Under this explanation
I am directed to request
the sanction of the Govt. of
India to the employment
of the proposed establish-
ment at the total
additional cost of Rs. 85
per mensem.

6. The papers on the
subject with a tabular
statement in the prescribed
form, are enclosed.
