Proceedings of the Madras Government, Revenue Department.

13th May 1872.

No. 122. Read the following letter from the Postmaster-General, Madras, to the Acting Chief Secretary to Government, Revenue Department, Fort St. George, dated Madras, 4th May 1872, No. 940-239 :—

With reference to paragraph 6 of my letter recorded in Government Order No. 308, dated 17th February 1872, I have the honour to state, for the information of His Excellency the Governor in Council, that the Director-General of the Post Office of India, to whom a tabular statement was submitted for the transfer to the Imperial Post of the cost of the District Post Establishments used by it, having called for further returns of the amount and value of the District Post correspondence, and directed that the proposal should be submitted separately one by one for each district, I am taking steps accordingly.

2. As it will now take some time before the transfer of the cost of the establishments in question is carried out, I beg that orders may be issued, through the Revenue Board, to Collectors for the cost being defrayed as hitherto, and until this Department is prepared to do so.

No. 123. Order thereon, 13th May 1872, No. 765.
