No. 29.

To His Excellency the Right Honorable the Governor General of India in Council

My LORD,—I have received in Council Your Excellency's despatch dated May 3rd, No. 1 (Horticulture), 1872, on the subject of the evils arising from the destruction of trees in various parts of India.

2. Your enquiries address Governments appear to have satisfied you that the magnitude the subject is appreciated, and that in several provinces measures have been adopted to mitigate or repress the evil. Your proceedings in the order of your Government dated the 25th April, are, however, a very useful effect by keeping the attention of the local authorities to a subject which is of so much consequence to the future welfare

I have the honor to be,

My LORD,

Your most obedient, humble Servant,

ARGYLL.
