

of Madras on account

*Proceedings of the Madras Government, Revenue Department,
14th May 1872.*

No. 179. Read the following Proceedings of the Board of Revenue, dated 8th May 1872:—

Read the following letter from the Collector of Tinnevely, to the Secretary to the Board of Revenue, dated Pudukudi, 23rd April 1872, No. 139.

I HAVE the honour to forward herewith a plan and estimate for the buildings, platform, road-way, banking, hedging, etc., connected with the new salt-pans of Levingepuram.

2. I have been over the ground with the Executive Engineer who prepared the estimate, and the arrangements proposed are the best that can be devised. The pans include some eight acres, which will be thoroughly banked and hedged round; the platform must be newly constructed, and the Cutcherry of coral and chunam is to be thatched with Nanal grass, which is much more durable than palmyrah leaves.

3. The enclosure has space for a cart-stand, which can be afterwards turned into pans, should an extension be necessary.

4. The ryots will dig the wells and lay out 3,000 pans without any extra charge; and in allotting the pans I have arranged to secure the neighbouring lands farther west to plant with thorn-trees as a protection against the wind.

5. I shall be at Tuticorin by the end of this month, and as it will be inconvenient to visit that place again for some time to come, I shall feel obliged by the Board telegraphing that funds are at my disposal to enable me to commence the embankment and platform, which must both be constructed before the ryots can lay out their pans.

6. I need hardly remind the Board that this earth-work must be completed by October, to enable the ryots to commence cultivation next year.

THE estimate, amounting to Rs. 11,470, for reopening the salt-pans at Levingepuram, in accordance with Government Order No. 294, dated 15th February 1872, will be submitted for the sanction of Government, and the Collector will be authorized to commence the work by telegraph as suggested.

No. 180.

ORDER THEREON, 14th May 1872, No. 792.

Miscellaneous.

THE estimate is sanctioned.

2. The Government presume that funds can be provided from the "Salt" Budget grant.

(True Extract.)

(Signed)

W. HUDLESTON,
Officiating Chief Secretary.
