

*Proceedings of the Madras Government, Revenue Department,
20th May 1872.*

No. 204. Read the following Proceedings of the Board of Revenue, dated 24th April 1872, Miscellaneous No. 2,979 :—

Read the following letter from T. A. N. CHASE, Esq., Collector of Kurnool, to the Secretary to the Board of Revenue, dated 13th April 1872, No. 103.

I HAVE the honour to inform you that, under the orders of Government noted in the margin, the Dispensary Cumbum has been transferred to the Municipality at that station with the Dresser attached to it. He was appointed to the station of Cumbum under Government Order No. 6, dated 3rd January 1861, to afford medical aid to the public officers and departments located there.

2. According to Government Order No. 323, dated 16th March 1869, Public Department, a medical subordinate is allowed for the Head Assistant Collector's establishment, but none has yet been appointed. The Dresser attached to the Cumbum Dispensary attends to the requirements of the Head Assistant Collector while in Cumbum, but his transfer to the Municipality no longer makes him available for such duty. I would, therefore, request the Board of Revenue to obtain the sanction of Government for a separate medical subordinate being appointed to the Head Assistant Collector's Office, so as that he may accompany him on his circuits and assist in distributing medicine to travellers and others according to Board's Standing Order No. 11.

SUBMITTED for the orders of Government.

2. If the services of a Dresser are available, it is evidently desirable that one should be attached to the Office of the Head Assistant Collector of Kurnool.

No. 205. ORDER THEREON, 20th May 1872, No. 803.

Miscellaneous.

THE Collector will report whether the Dresser at Cumbum has not hitherto been considered as attached to the Head Assistant, and has not accompanied that officer on tour, his charge of the dispensaries being secondary only. If this was so, and the Municipality are content with the arrangement, it may continue, the salary of the Dresser being charged to Government in whole or part; but if the Municipality want a Dresser for the sole charge of the Dispensary, they must pay for him. Mr. Chase will report whether they are willing to do so, and how the salary has been debited since the transfer.

Submitting for order of Govt. applica-
tion of Coly of Cumbum for appoint-
ment of a separate medical out-
station to the Asst. Coly. Officer at
Cumbum, as the Dispensary there
with the Dresser attached to it has
been transferred to the Municipality

M. E. 24th April 1872 No. 297

The Collector
will report whether the Dresser
at Cumbum was not
hitherto considered as
attached to the Head
Assistant and accompanying
that Officer on tour, his
charge of the dispensaries
being secondary only. If
this was so, and the Munici-
pality are content with
the arrangement, it may
continue, the salary of
the dresser being charged

When Mr. Turner, the Asst.
of Kurnool was here, he spoke
with me on the unfairness of
changing the municipality with
the present dresser, and I understood
from him, that the dresser was
considered to belong to the Head
Assistant. The municipal
murmurs do not appear from
Mr. Chuse's letter, but if
they exist, I submit it is well that the matter be cleared up.
The dispensary at Cumbum is I believe a recent institution.
