Proceedings of the Madras Government, Revenue Department,
27th May 1872.

No. 252. Read the following letter from the Junior Secretary to the Government of Bengal, (Judicial—Medical,) to the Officiating Chief Secretary to Government of Fort St. George, dated Calcutta, 21st May 1872, No. 2,106:—

WITH reference to your office letter No. 728, dated the 6th instant, I am directed to inform you that the Commissioner of Orissa has been directed to despatch to your address 500 copies of the Uriyah version of the "more deadly forms of Cattle-disease in India," and I am to explain that copies in excess of the number asked for by you are sent, as it is probable that His Excellency the Governor in Council may find it advantageous to direct a wider circulation of the work than was at first contemplated, and as copies are available they are sent.

No. 253. ORDER THEREON, dated 27th May 1872, No. 828.

Miscellaneous.

ORDERED that the Commissioner of Orissa be requested by telegram to send the 500 copies of the Manual to the Collector of Ganjam for use in his district and in Vizagapatam.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To the Collector of Ganjam.
