Miscellaneous No 1652.

Proceedings of the Board of Revenue
dated 4th March 1872.

No 154 Read the following

From, W. Mc Lachlan Esq^r
As Collector of Madras

To, J. Lysons Esq^r
As Secretary to the Board of Revenue
Madras

Sir,
I have the honor to request
that you will be good enough to ob-
tain the sanction of the Board of
Revenue for the payment from the
Road Fund Reserve, of the sum of
Rupees 66-10-6 which was spent in
improving wells for drinking pur-
poses in the Melur Taluk, and
stands debited to "Advance recoverable"
under the following circumstances.

2. Under Order of Government
dated 6th March 1869 No 595 communicated
by

by the Board on the 8th Idem No 1551,
authorizing an expenditure not
exceeding Rupees 2000 for granting
assistance towards sinking wells
in this District, orders were sent
to the Tahsildar of Melur to disburse
Rs 303 for repairing wells &c -

3. The Tahsildar, instead of
confining his expenditure to the offi-
cial year, continued to disburse
Rupees 87-10-6 after the close of the
year, not knowing that the unexpended
portion would lapse. The amount
was consequently debited to the head
"Advance recoverable" and the Tahsildar
was directed to recover the amount,
but he has since reported that only
a sum of Rupees 21 was recovered and
the remainder Rupees 66-10-6 having
been already spent on works executed
he forwarded bills for the same. The
sum remains undischarged in the accounts
of

of "Advance recoverable" sanction
is therefore solicited to make good
the sum from the source pointed out.

ward herewith a memo. showing the
particulars of expenditure &c from

works together with bills for Rs 66-10-6
incurred after the close of the official
year 1869-70. The sum of Rupees 1215-12-6
spent on these works within that year
was adjusted in the accounts by debiting
to

to Public Works Department, with reference to the Accountant General's letter dated 26th November 1869 N^o 5409 and bills for the same have been submitted to him.

2. With reference to para 3 I beg to state that the Road Fund was pointed out as the source from which the sum of Rupees 66-10-6 might be paid to avoid the delay anticipated in obtaining the sanction of Government for its disbursement from Imperial Revenue. If the Board think that this sum should be debited to Imperial Funds, I request that the Superintending Engineer may be instructed to pay the amount.
