Proceedings of the Madras Government, Revenue Department,
6th June 1872.

No. 54. Read the following endorsement of the Officiating Secretary to Government, Public Works Department, dated 1st June 1872 :—

Read the following letter from the Officiating Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coimbatore, 28th May 1872, No. 39 :—

In G. O. No. 1,505 of the 31st August 1871, Revenue Department, "Miscellaneous," paragraph 2, an *open* exhibition *pandal* was sanctioned for the Government Gardens at Ootacamund.

1 Plan (sent by banghy).
1 Estimate No. 62, Rs. 7,073.
1 Letter from the Commissioner of Nilgiris to be returned.
1 Detailed plan of lantern (sent by banghy).

2. In G. O. No. 1,887 of 9th November 1871, Revenue Department, paragraph 3, "the question of erecting a *covered* exhibition shed," it is stated, "can be brought forward again next year."

3. The work, under misapprehension, was commenced in November 1871 by this department on the sanction accorded in the first G. O., and an expenditure of Rs. 426-14-2 was incurred ; the work was stopped on receipt of the second G. O.

4. The expenditure was on timber which, the Range Officer reports, can be utilized in the new design now submitted, and has consequently been deducted from its estimate.

5. For the reasons urged by the Commissioner, whose letter* I enclose, and with which both the Range Officer and myself concur, I have the honour to submit a new plan designed by Captain Morant, R.E., together with an estimate for the construction of the exhibition shed in the Public Gardens of Ootacamund, and to request Government will be pleased to sanction the estimate and provide funds for the work.
