My dear Anderson.

In the Govt order of this day to hand regarding the Privilege leave granted to Goodrich, nothing is said as to the proposal I made that Tenasdarry should receive the 6 Rs per diem extra tent allowance that would otherwise lapse by Goodrichs absence - The deputies get the extra tentage all the month through, and in return for this keep up the

office for the Establishment-
So that should Govt grant
Tenentachany the £180
per mensem, £120 of that
will have to go towards
the office rent. I can
most safely say from what
I can lately at Samoul
that Tenentachany is
fully earning this little
extra remuneration
Yours sincerely
Geo Rankin
