Sir,

× N. Krishna Chetti Salary Rs 50

I have the honor to state that the Individual× noted (unpassed Candidate) had to be appointed by me Teller in the Paper Currency Office Calicut, as being the best man to be had for the post; in fact the only thoroughly qualified man available, good Shroffs being rare, in this District.

2. He had been Head Shroff in the Huzur Treasury Calicut, on a salary of Rs 50, but was thrown out of employ on 30th April 1867 consequent on the reduction of the Establishment when the Treasury was

transferred

transferred to the Madras Branch Bank. His services then extended over a period of 15 years during the whole of which period he had performed the duties of a Shroff. He was subsequently employed in the same capacity in the Bank. The duty of the Teller is identical with that of a Shroff who very properly is not required under the rules to pass the General Test Examination, the test of his efficiency lying in his ability to detect base coin by the touch.

3. Under these circumstances, I request that the sanction of Government may be obtained for exempting Krishna Shetty from passing the General Test Examination. to enable the Accountant General to pass his salary -
