Proceedings of the Madras Government, Revenue Department,
11th June 1872.

No. 119. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 21st May 1872, No. 1,225 :—

With reference to item No. 4 in the statement herewith returned, I have the honour to inform you that Mr. Lowry, the Sub-Assistant Conservator in charge of the Tinnevelly fuel plantations, resigned, and as a temporary measure I placed a 3rd Class Overseer in charge, a lad who had received a schooling on our plantations. As the Sub-Assistant's post has been sanctioned I would not wish to make the present alteration a permanent one, at least at present, as we may find out that a 1st Class Overseer, or even a Sub-Assistant, will eventually be required. I would allow the present sanctioned scale to stand, 75 Rs. only being drawn out of the 180 Rs. for the present.

No. 120. Order thereon, 11th June 1872, No. 918.

Forests, No. 11.

With reference to the proposal made in the foregoing letter, and which is approved by Government, item No. 4 of the Officiating Accountant-General's Statement of Charges for March 1872 will be omitted therefrom.
